LICENSING AGENCIES
Four Corners Home for Children is a program of Navajo Ministries, authorized by the federal government as a non-profit 501c3 organization. Four Corners Home for Children is a member of the Christian Coalition of Home for Children. Navajo Ministries is also a Charter Member of the Evangelical Council for Financial Accountability (ECFA). The individual homes are licensed by the State of New Mexico for health and safety. The Navajo Nation Division of Social Services and Child Protective Services Division has certified Four Corners Home for Children for foster care services.
AFTER-SCHOOL LEARNING PROGRAM

The After-School Learning Program at the Education and Activity Center provides tutoring and other fun activities for our children grades K-12. The children enjoy the opportunity to interact with volunteers, other Navajo Ministries staff members as well as students from Navajo Preparatory School.

RANCH PROGRAM

The Ranch Program is great for our kids and a lot of fun too. Our animals include horses, goats, sheep, donkeys, chickens and geese. The Ranch Program is beneficial to the children who have experienced trauma since the animals are calming and provide comfort. School-aged kids help with feeding, watering and some basic care and grooming.

BOX TOPS

We continue to collect Box tops for Education even though our On-Site School is currently closed. Thanks to many generous contributions we are able to earn thousands of dollars for our students’ school. These funds provide a variety of learning materials, sports equipment and other needed items.

FOUR CORNERS HOME FOR CHILDREN

The Four Corners Home for Children provides three large homes to assist children in need. Dedicated and loving houseparents provide a family atmosphere in order to meet the physical, emotional and spiritual needs of the children in our care. Navajo Ministries has a licensed professional counselor, who meets regularly with the children in the Play Therapy room.

HELP RESTORE HOPE THROUGH SPONSORSHIP

Four Corners Home for Children, a program of Navajo Ministries, is funded by the contributions of interested friends, businesses, churches and foundations. It does not receive funds from the federal, state or tribal governments.

Your monthly sponsorship will provide support for our childcare program. To become a sponsor, fill out and return the response form overleaf. We will send you a photograph and biographical information specific to the program you are sponsoring. Each month you will receive updates on how your gifts and prayers are changing lives.

ABOUT NAVAJO MINISTRIES

Navajo Ministries (formerly Navajo Missions Inc.) was founded in 1953 by Jack Drake to provide a stable, secure home for the many Navajo children in need. An inter-denominational ministry since 1953, it has provided care for over 1,000 children, who’ve ranged in age from newborns to older teenagers.

Navajo Ministries works alongside Navajo Social Services in attempting to re-unify families and in upholding the Indian Child Welfare Act. Children are placed at Four Corners Home for Children through Navajo Social Services, the State of New Mexico or voluntary family placement.

Navajo Ministries’ other programs include: KNMI Vertical Radio; Navajo Nation Outreach; and Navajo Ministries After-School Learning Program.
